

“I can’t help myself.”

We live to help others. We volunteer to make a difference.

We serve to make our world a better place.

We give because ... **we can't help ourselves.**

Emily Byars is no stranger to our community. As a teacher, she taught many of our young adult leaders of today. Retired now, “Mrs. Byars” still loves to hear stories of students reaching their dreams. She writes, texts, calls and chats with former students giving encouragement and advice. Emily has a great love for those around her because of her strong faith. She speaks of God’s love at every opportunity, which has been numerous times over the last few months. • Our community lost one of our pillars of business and community stewardship when her husband, Steve Byars, passed away late in 2015. Steve saw his role in Jasper as that of a steward and gave selflessly to his community. He was involved in numerous civic organizations in Walker County. • Together, they accomplished great things in the lives of others. Emily once promised a third-grade student that if he stayed in school and graduated with good grades, she would help him go to college. Steve honored her promise, and that young man is presently a student at Auburn University. • Emily is committed to continuing the pursuit of impacting the lives of her neighbors in need. Along with her children, Jill, John and Rebekah, Emily started the Steve Byars Fund at the Community Foundation. Steve lived knowing that being humble means that we are not on this earth to see how important we can become, but to see how much difference we can make in the lives of others. His family is no different.

“I can’t help myself
when it comes to educating the youth of our community.”

Emily B. Byars

Walker Area Community Foundation

The year 2015 marked our 20th year as a Community Foundation. Twenty years of gathering people, funds and organizations together; 20 years of growing through prudent management and collaborations with other agencies; and 20 years of grantmaking to respond to the most pressing needs of the community.

Following a suggestion from John T. Oliver Jr., in 1995, Pat Willingham and the Community Health Systems Board set aside \$6 million in proceeds from the sale of the Walker Regional Medical Center to begin the endowment for the Walker Area Community Foundation. This donation has served as a nucleus for funding worthy causes that might otherwise be overlooked.

Other leaders involved in forming of the foundation were the late J. George Mitnick and the late Larry Drummond. Together, Oliver, Willingham, Mitnick and Drummond created a foundation that serves as a cornerstone on which solutions to our community's greatest problems are built.

Due to the wise decisions by our investment managers, the purchase and renovation of the Bankhead House & Heritage Center and the faithfulness of our donors, the Community Foundation has been able to grow from its original \$6 million to more than \$23 million.

The Community Fund

The Community Fund, our only unrestricted fund, is an endowment that enables us to respond strategically to community issues as they arise. Based on our knowledge and research, the Community Fund supports a wide variety of subject areas and organizations through a competitive grants process and other special initiatives.

The progress the Community Fund has already made shows the promising future it holds. The Community Fund has the ability to be the catalyst for real community change.

If you have a desire to be part of the future of Walker County, please call (205) 302-0001, visit our website at www.wacf.org or come by the foundation's office at 611 8th Avenue, Jasper AL 35501.

Component Funds

Donors who want to endow their passion and provide endless support to charitable causes may choose to establish a component fund.

Component funds allow an advisory committee to focus on the charitable needs of our community and leave the administrative tasks to the foundation. These funds are a permanent source of community capital which will help the foundation to continue its work today and far into the future.

Behind each fund is an abundance of success stories, so many that we cannot possibly fit them on one page. You can see, however, that there are family funds and organizational funds. Each one holds its own purpose and history but gains strength from being managed together. Donations can be made to any fund at any time.

Bankhead Fund was started by Walter Will Bankhead and has a long history of providing general philanthropic dollars for our nonprofits.

Barbara Drummond Thorne Fund, given by her estate, offers financial aid to the organizations that were closest to her heart.

Disaster Relief Fund focuses on meeting the emergency unmet needs of Walker County residents who have suffered damage due to natural disasters.

Drummond Company, Inc. (DCI) Fund provided aid first to present and retired employees of Drummond Company who suffered damage because of the April 27, 2011 tornados and continues to provide safe shelter for our community during storms.

DTS Fund works to improve the quality of life and addressing the immediate needs in Cordova.

Engel and Mitnick Family Fund recognizes the importance of the social services being delivered every day to our friends and neighbors in Walker County and will award grants to support their efforts.

Excellence in Education Fund supports the Jasper City School system and its teachers with expenses not included in the general budget.

Faye and Lewis Manderson Fund seeks to affect positive change and growth in Cordova through advancing and improving structures as well as providing programs that will benefit residents.

Friends of Camp O'Rear Fund supports the physical plant and surrounding environs of Camp O'Rear.

Health Action Partnership is a working group of Walker County health-related organizations striving to improve the health and lifestyles of our citizens.

Jackson Family Fund was founded with the belief that orphans and foster children should be afforded the privilege of attending programs like Camp McDowell. It will also provide educational enrichment experiences for children without parents and will support the ministry of the Episcopal Church for the same.

Jasper Recreational Fund supports the expansion of recreational opportunities and programs, making Jasper's recreational package exceptional for Alabama.

Larry Drummond Family Fund supports general philanthropy in Walker County.

Matthew Crump Fund supports the efforts of men and women engaged in emergency response positions and provides material support to special needs citizens of Walker County.

Reed Family Fund supports general philanthropy while keeping in mind the importance of serving the basic needs of Walker County families.

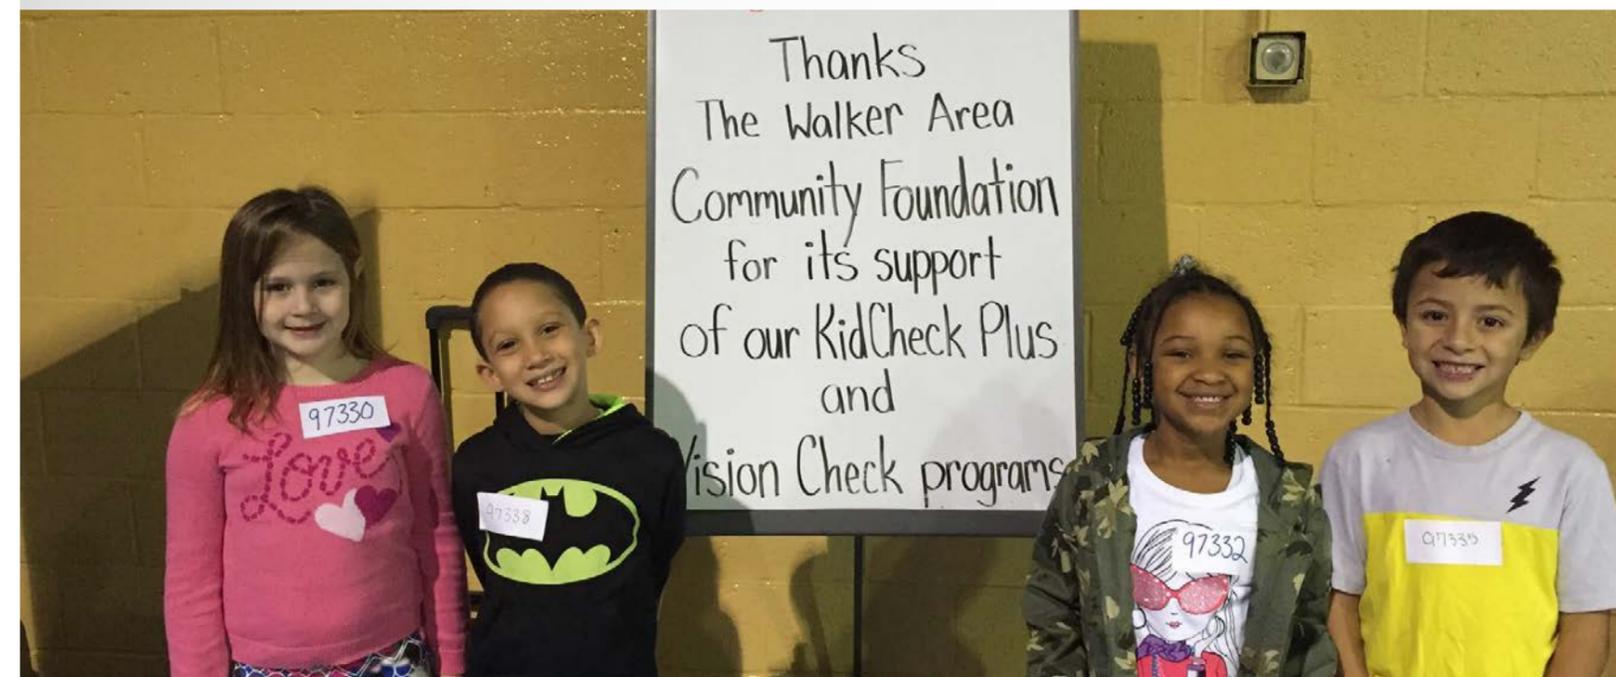

Rotary Club of Jasper Fund is an endowment fund of the Rotary Club of Jasper. This fund strives to improve the quality of life for families and individuals in our community.

Samuel Lee Smith Advised Fund helps children and youth live their lives to the fullest by making grants to encourage strong health, athletics, scouting, religion and the arts, especially to those who need financial assistance.

Sherer Family Foundation Fund supports the aesthetics of our community and the fine arts of the Walker Area, its facilities, grounds and environs.

Steve Byars Fund is created in the memory of Steve Byars who saw his role in Jasper as that of a steward and gave selflessly to his community. This fund will continue his legacy and support general philanthropy in Walker County.

Victims of Violent Crime Fund was organized to create awareness of victims of violent crime in Walker County, Alabama.

Ann Trotter has dedicated her life to children's health. From 32 years as a swim coach and water safety instructor to 38 years of physical fitness education, Ann has influenced literally thousands of students. A longtime physical education teacher at T.R. Simmons Elementary School, Ann has worked for years to develop strong exercise habits in her students. From Whales Tales (a swimming and water safety program for students) to Jump Rope for Heart, which incorporates many diverse and innovative activities into her curriculum, Ann has varied her curriculum over the years to touch on things that students enjoy doing. • Ann realized her PE curriculum needed a boost, and when the Healthy Eating Active Living (HEAL) program was offered, she accepted without hesitation. HEAL is a nonprofit organization that strives to improve children's health measurably and reverse the growing epidemic of preventable diseases and childhood obesity. While the main focus is to improve children's health, HEAL's field of impact is far greater. HEAL motivates children and their families to adopt healthier lifestyles by eating more fruits and vegetables, drinking plenty of pure water and exercising daily. • Ann was recently named the Alabama State HEAL Hero, selected first among more than 100 other teachers across the state that implement HEAL into their school curriculum. She is celebrated for implementing the HEAL curriculum with passion, leading by example and transforming children's lives and those of their families over to better health. • Ann Trotter and HEAL are both heroes in our book.

“When it comes to giving back to my community,
I can't help myself.”

Ann Trotter

Grants Awarded by Service Area

Walker Area Community Foundation and its funds awarded \$1,015,748 in grants to nonprofit organizations in 2015.

Because of the foundation ... Backyard Blessings is able to give food to hungry children every weekend of the school year in Walker County.

LENEDA JONES, *Backyard Blessings*

Scott Thornley Growing up in Jasper, Scott Thornley always

knew he wanted to follow in his dad's footsteps at Maddox, Thornley and

Sanders. A gifted attorney, Scott can tell you at any given moment what property is

being sold in our community, making him an important player in the economic

development of Walker County. His compassionate, yet logical mind made him

an obvious choice to hold a seat on the Jasper City Schools board, chair the

Arc of Walker County's Board of Directors, serve on Main Street Jasper's Economic

Vitality Committee, and many other nonprofits throughout our county. • Scott

loves all his charitable work, but serving the Walker Area Community Foundation

leads the list. His time reviewing grants for the foundation over the last several years,

and now as our newest board member, has created in him an appreciation

for the strength of our nonprofit sector. Committing the next decade of his

life to serving as an advisor for this foundation was an easy decision for Scott

because he knows he will assist in molding our future. • His wife, Bess, and

two little girls Margaret and Elizabeth are the loves of his life. He strongly

believes that through his work with this foundation, he can help make

Walker County better for them. Walker Area Community Foundation has

become a part of the very fabric of Scott's life, and for that, we are grateful.

“If it needs funding ... **I can't help myself;**
I have to find a way to make it happen”

Scott Thornley

Greg and Lindsey Kilgore They could be anywhere using their talent,

but Greg and Lindsey have chosen Walker County as their home. Black Rock, their restaurant,

is a name synonymous with first-class food served in a trendy, colorful location. • From Oakman to

Hoover, the Kilgores have strong, southern roots in Alabama. Both graduates of Culinard, they

have trained with an extensive and impressive résumé of chefs from Birmingham while in school

and then in New Orleans. Then Hurricane Katrina hit. • The Kilgores moved back to Oakman

to regroup. They took odds jobs, including painting and even renovating a bathroom. One day

while apartment hunting, they drove by an empty restaurant, and the For Rent sign caught their

eye. They mortgaged their cars and everything they could think of, received a small loan from

the only bank that would look at them, and Black Rock was born. Seven years later, at their new

downtown location, the accolades are pouring in from national magazines to local Facebook

comments. • Greg and Lindsey love food and look for opportunities to share what they love.

Last year, their church, Hope House Church, did not have a church building, but bought a food

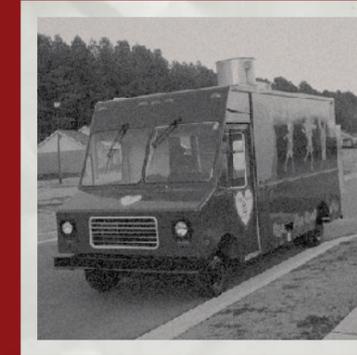

truck to serve their community. The Kilgores got behind that idea. Together, they deliver healthy,

scrumptious, free meals to those in need. They hand out food at local housing authorities,

senior citizen centers, thrift stores and other locations where people are served. Food is a great

way to get people to open up and talk so the gospel can be shared. Through Black Rock and

the Hope House Food Truck, Greg and Lindsey not only feed the body but the spirit as well.

“Cooking is our passion, and **we can’t help ourselves** when it comes to cooking for those in need.”

Greg & Lindsey

Letter From Our Chairman

The Walker Area Community Foundation works daily to improve the quality of life for the people of Walker County and the surrounding area. Governed by a volunteer Board of Directors, and helped by you our stakeholders, this foundation impacts educational, cultural, civic, public and other charitable needs of the Walker County area making great strides toward a better future.

The Community Foundation is here to stay. We invest in the present to secure the future for my children, your children and all future generations. Forever, we will award grants to make an impact, lead to further our community and provide a conduit for your gifts to collectively make a difference.

Humans have an innate desire to help others. For many of us there is never enough time or money to individually answer the almost overwhelming needs of our community. Needs that only a combined effort can meet. Because of this foundation you do not have to go it alone. Together, we can take on those seemingly overwhelming tasks that are beyond most individuals. We all love our community ... *we can't help ourselves.*

A handwritten signature in black ink, reading "Edward R. Jackson". The signature is written in a cursive style with a long, sweeping underline that extends to the right.

EDWARD R. JACKSON
Chairman of Board of Directors
